INFORMATION LETTER

206-00-82

18 May 2000

Revision A, 13 June 2011

**TO: All owners and operators of Model 206A/B (TH-67) Series Helicopters**

**SUBJECT: MAIN ROTOR BLADES USABLE ON 206A/B (TH-67) MODELS**

This Information Letter is issued to inform Owners/Operators that the following main rotor blades can be mixed and matched on all 206A/B (TH-67) helicopters. Revision A introduces the latest production configuration main rotor blades and also the identification of main rotor blades modified per Technical Bulletin 206-11-197.

<b>PAINT CONFIGURATION</b>	<b>PART NUMBER</b>	<b>NOTE</b>
Standard (white)	206-010-200-033 (no inboard tab)	
	206-010-200-033FM	2
	206-010-200-133	
	206-010-200-145	1
	206-010-200-145FM	2
High visibility (black & white)	206-010-200-137	
	206-010-200-149	1
	206-010-200-149FM	2
High visibility (orange & white)	206-010-200-139	
	206-010-200-151	1
	206-010-200-151FM	2
High visibility (all black)	206-010-200-141	
	206-010-200-153	1
	206-010-200-153FM	2

NOTE 1. This main rotor blade is the latest production configuration that replaces all previous dash numbers. This blade is identical to the previous dash numbers with the tell-tale weight not installed.

NOTE 2. This main rotor blade was field modified (FM) in accordance with TB 206-11-197 and is equivalent to the same blade part number without the suffix "FM". E.g.: 206-010-200-145FM is equivalent to 206-010-200-145.
