**IL 214ST 19-28**

16 September 2019

**SUBJECT: INTERCHANGEABILITY OF MAIN ROTOR PITCH LINK CLEVIS 214-010-485-103 ON PITCH LINK ASSEMBLIES 214-010-410-011/-129**

Bell Engineering has determined on Pitch Link Assemblies 214-010-410-011 and 214-010-410-129, it is permissible to install Clevis P/N 214-010-485-103 in lieu of the P/N 214-010-485-001 Clevis for spare part replacement.

To purchase the 214-010-485-103 Clevis, contact Erickson Incorporated in accordance with IL 214-15-15 or IL 214ST-15-25.
